

## 12 Great Money Podcasts by and for Women

### 1. The Fairer Cents ( <https://thefairercents.com/> )

Weekly, 45 Minutes

*“A must listen podcast for anyone who is ready to change the status quo.” -*

A business and career podcast all about the different economic realities facing women, people of color and other marginalized groups.

Hosted by Tanja Hester, author of WORK OPTIONAL: The Non-Penny-Pinching Guide to Retiring Early, and creator of Our Next Life, and Kara Perez of Bravely, The Fairer Cents tackles sticky money and financial issues like the wage and wealth gap, the economics of motherhood, emotional labor, women’s ambition and more.

The show doesn’t shy away from hard conversations, but we do it all with laughter, and always with a focus on what action you can take in your own life.

---

### 2. Oh My Dollar! Podcast ( <http://www.ohmydollar.com/> )

Weekly, 15 minutes

*“I love Lily’s energy. This is a great show where they cover the basics of managing your money. The host is relatable and I love that they talk to real people with real money questions.” - Apple Podcasts Review*

In the [“Oh My Dollar! Podcast,”](#) Lillian Karabaic helps artists, small business owners, nonprofit worker bees, and millennials smash debt, save up for their goals, and budget like the badasses they are. She helps “people create new financial stories” with the charming tagline “practical, approachable financial advice with a dash of glitter.”

Notably, Lillian doesn’t sell banking products, hustle credit cards, or tell you that you need to get a “grown-up” job instead of making art or working in non-profits.

#### 5. So Money Podcast ( <http://podcast.farnoosh.tv/> )

Weekly, 35 minutes

*“As a personal finance geek, I already know, and have applied, the basics. I don’t need someone to tell me to live somewhere affordable and contribute to my 401k. I DO want to hear how other successful people think about and use their money - which is exactly what this show brings.”*

“Looking for ways to save on gas or double your double coupons? Sorry. You’re in the wrong place.” That’s how the [So Money podcast](#) begins.

Host Farnoosh Torabi is an award-winning financial strategist, TV host and bestselling author. Learn the financial philosophies, wins, failures and habits of today’s top business minds, authors and influencers. Plus, their secret guilty pleasures.

---

#### 6. Couple Money Podcast ( <https://couplemoney.com/> )

Weekly, 30 minutes

*“Reading Elle’s posts have been a huge support in my relationship with money and more importantly a better financial relationship with my husband. Not everyone reads blogs like I do so it’s nice to have the podcast as an additional resource.” - Apple Podcasts Review*

In the [Get Couple Money podcast](#), Elle Martinez talks with financial experts, renowned journalists, and real life couples who have done extraordinary things with their money such as paying off six figures of debt, overcoming financial infidelity, starting a business together, and retiring early.

Each episode covers crucial money topics like lending money to family, dumping debt faster, and the keys to financial independence. This podcast is about helping the two of you to master your money together.

---

#### 7. Financial Grownup Podcast ( <http://www.bobbirebell.com/financialgrownuppodcast> )

Bi-Weekly, 10 - 15 Minutes

*“We officially have no excuses left to say personal finances are boring and confusing – because Bobbi is making it EASY and engaging to understand on her podcast. Bobbi is an honest, straight-shooting host who mixes her own POV with expert opinions. Looking forward to upcoming episodes!” - Apple Podcasts Review*

Being a grownup is hard, especially when it comes to money. Host Bobbi Rebell, a Certified Financial Planner and author of “How to be a Financial Grownup” asks her guests to share one money story that impacted their lives, and one lesson. Then she gives listeners her take and specific ways to use it in their life.

---

## 8. Money Girl Podcast ( <https://lauradadams.com/podcast> )

Weekly, 25 Minutes

*“Quick and easy way to get more information about how to make your money life better.”*

[Money Girl’s Quick and Dirty Tips Podcast](#) is focused on actionable advice and tips that can be put into practice immediately following each show. Short and friendly business, personal finance, and investing tips to help you live a richer life.

Whether you’re just starting out or are already a savvy investor, Money Girl’s advice will point you in the right direction.

---

## 9. Her Money with Jean Chatzky ( <https://www.jeanchatzky.com/podcast/> )

Daily, 6 - 35 minutes

*“Jean Chatzy’s podcast is wonderful! Her show is full of informative, positive information for women. Thanks for doing this!”*

[Jean Chatzky](#) is a personal finance expert, award-winning journalist and best-selling author. Her very popular personal finance podcast runs about 35 minutes long, with shorter episodes devoted to listener questions and mail. This show has a welcome female focus.

---

## 10. The Money Nerds ( <http://www.themoneynerds.com/> )

Weekly, Time

*“Listening to your show has helped unlock a lot of money weirdness I’ve experienced personally in my own head. My mindset is improving just by hearing your great guests share their own experiences. This podcast is definitely apart of my financial inner work” - Apple Podcast review*

The [Money Nerd](#) podcast shares weekly stories from people kicking butt with money on their way to financial independence, paying off debt, saving more money, or starting their dream business.

Whitney Hansen interviews everyday people with weird, unique, and amazing money stories. If you are looking for a modern voice and financial tips that actually work, this podcast is for you. If you are trying to better your financial life, you’re in the right place!

---

## 11. Clever Girl Finance ( <https://www.clevergirlfinance.com/podcast/> )

Weekly, 70 minutes

*“A podcast for women on money by a woman who gets it! Love this podcast as I find it totally relatable to my current life!”*

Voted one of the top personal finance websites for women, [Clever Girl Finance](#), started by Bola Sokunbi, is a financial education platform aimed at providing women with financial guidance that will inspire them to pursue and achieve their dreams of financial independence.

The Clever Girl team is focused on leveraging our platform to help women become accountable, ditch debt, save money and build real wealth.

---

## 12. Money Diaries ( <https://www.refinery29.com/en-us/money-diary> )

Weekly, 70 minutes

*“So excited for this podcast! Please make this longer I need more money diaries in my life!” - Apple Podcasts Review*

In each [Money Diaries](#) episode, a diarist calls in with a money dilemma, question, or awkward situation, and our hosts help them figure it out all - without freaking out about their finances.

The sometimes controversial series always brings up more questions than answers: Why is she putting so much into retirement? Why can't she afford a vacation? Why do commenters hate it when diarists let boyfriends pay for the check?
